Today's Technician: Automotive Engine Repair & Rebuilding Classroom Manual and Shop Manual (The Ultimate Series Experience) By Chris Hadfield

The theory and service of modern automotive engines is at the heart of this new edition of TODAY'S TECHNICIAN: AUTOMOTIVE ENGINE REPAIR & REBUILDING. Thoroughly enhanced and updated, this book includes information on variable valve timing systems, hybrid and other advanced technology vehicles. Readers will learn how components are designed and how they function to support engine operation through the help of realistic line drawings and well-structured photographs that engage them in the parts and pieces of today's automotive engines. The newly revised fourth edition includes more engine performance diagnostic information, as well as current NATEF content to help readers adequately prepare for the ASE certification exam in Engine Repair.

Editorial Review

About the Author

Christopher Hadfield is currently director the Minnesota Transportation Center of Excellence. Previous to this appointment, he was dean of career and technical education in Brainerd, Minnesota, capping a decade of experience as an automotive technology instructor at secondary and post-secondary schools, including stints as department chair and program coordinator. Before teaching, Chris was a master certified automotive technician working for a GM dealership, an independent, and a retail store, as well as owning his own business. In addition to being ASE Master Certified and ASE L1 Advanced Engine Performance Certified, he has a Bachelor of Science degree in automotive engineering technology with a minor in manufacturing engineering technology from Minnesota State University Mankato, and he has a Master of Education degree in community college teaching and learning from the University of Illinois Urbana--Champaign. Combining high school and college teaching expertise, along with hands-on experience from the shop, Chris lends his critical eye to a variety of Delmar-Cengage Learning automotive publications, including TODAY'S TECHNICIAN: BASIC AUTOMOTIVE SERVICE & SYSTEMS and AUTOMOTIVE SERVICE JOB SHEETS FOR NATEF TASK MASTERY.
