~ CALL ME...VENGEANCE ~

Book 1 in the Vengeance MC series

PLAGUED by the damage wrought by his father and previous President of Vengeance MC, Jackson ‘Boss’ Carr has spent years trying to reverse the damage of the past. All Boss wants is for his brothers to have a future paved in gold, not bathed in the blood of innocents, and the promise of retribution.

BREAKING free of the pressures and expectations placed on her by her parents, Bethany Miller escaped their suffocating hold in order to create a new life for herself. With the promise of a job and a place to live, Bethany decides Furnace, Colorado is as good a place as any to start over, yet she soon realizes that Furnace is not your normal sleepy mountain town. Furthermore, the handsome, charismatic, and powerful man she meets within days of arriving isn’t only capable of turning her life upside down in an instant; he intends to.

NO man should be forced to choose between his brothers and the woman who owns his heart, yet, Boss finds himself in exactly that position. He is caught in a classic game of tug of war involving his family and the woman he loves, but is led to believe has committed the ultimate betrayal.

HOWEVER, not everything is always what it seems; a reality Boss is quickly discovering. Now, he just has to hope he isn’t too late to not only save his MC from the threats quickly closing in on them, but redeem the trust of the woman that owns him.
