By Jessie Minassian

What is it about girls that makes us want to be with a guy so badly we can't stand it? Are those crazy emotions normal? Are they okay? Is there a better way? Seriously—is it even *possible* to get to marriage without having your life shattered by a member of the opposite sex? And what kind of man should you want to marry anyway?

Through the pages of *Crushed*, readers will learn the truth from God's Word about who we are, why our hearts are so precious, how to navigate relationships, and what a healthy, God-centered romance might look like.

From the Back Cover

We've all been there. That tingly feeling when *he* smiles at you. (Yeah. He's *cute*.) Or the horrible feeling

you get when that special guy doesn't even notice you. (Why'd he pick *her*?) Maybe you've settled for Mr. Wrong. (Better *someone* than no one, right?) Or just maybe you've wondered if he's actually... *the* one. If so, you've been *crushed*.

Join Jessie Minassian for some girl talk that explains the truth behind those feelings, how God wants you to view yourself and your relationships, and how to avoid getting your heart *crushed* along the way. Because, girl, God has so much more in store for you.
