By Iris Johansen

Eight Days to Live: An Eve Duncan Forensics Thriller By Iris Johansen

Number-one New York Times bestselling author Iris Johansen delivers a thriller that will chill you to the core: Eve Duncan's adopted daughter Jane has been targeted by a mysterious cult who has decided that she has only eight days to live

Eve Duncan and her adopted daughter, Jane Macguire, are pitted against the members of a secretive cult who have targeted Jane and have decided that she will be their ultimate sacrifice. In eight days they will come for her. In eight days, what Jane fears the most will become a reality. In eight days, she will die. It all begins with a painting that Jane, an artist, displays in her Parisian gallery. The painting is called "Guilt" and Jane has no idea how or why she painted the portrait of the chilling face. But the members of a cult that dates back to the time of Christ believe that Jane's blasphemy means she must die. But first, she will lead them to an ancient treasure whose value is beyond price. This elusive treasure, and Jane's death, are all that they need for their power to come to ultimate fruition. With Eve's help, can Jane escape before the clock stops ticking?

Editorial Review

From Publishers Weekly

Having injected vampires into 2009's *Blood Game*, the previous Eve Duncan forensics thriller, bestseller Johansen introduces cryptotheology—the madeup religious stuff of Dan Brown—into this equally outlandish sequel. When Jane MacGuire, Eve's adopted daughter, exhibits her paintings at a Paris gallery, one of Jane's pieces, a creepy portrait titled *Guilt*, prompts a charge of blasphemy from a dangerous cult. Nailing the dead body of one of Jane's friends to a cross shows the cult members mean business. Last seen in 2006's *Killer Dreams*, John MacDuff and Jock Gavin show up at Jane's door to protect her. Later Seth Caleb, the mysterious is-he-or-isn't-he vampire from *Blood Game*, joins the team. An action-packed search to uncover Jane's link to the cult and find a priceless religious artifact takes Jane and company across Europe—a journey that allows little focus on Eve and even less on her trademark forensic sculpting. *500,000 first printing.* (Apr.)

From [Booklist](#)

Although billed as an Eve Duncan Forensics Thriller, neither Eve nor forensics plays a big part in Johansen's latest. Instead the focus is on Eve's adopted daughter, Jane MacGuire, who has a successful art show at a Parisian gallery. But a painting titled *Guilt* has drawn some unwanted attention: the religious cult Sang Noir wants Jane dead. When the cult starts going after those closest to Jane, she turns to two strong, dangerous men: Jock, a trained assassin, and Seth, a hunter with psychic powers. Friction ensues between these two strapping guys as they fight to protect the globe-trotting Jane while she travels from Paris to Switzerland to Jerusalem in an attempt to find out why Sang Noir is so determined to kill her. She's fighting an intense attraction to Caleb, even as she disapproves of his methods of extracting information, and when Eve's life hangs in the balance, Jane finds herself crossing lines she never thought she would. Readers interested in hard forensic science will want to look elsewhere, but those receptive to paranormal abilities and religious mysteries will find much to enjoy in this page-turner. --Kristine Huntley
