John Miller's Country Blues Guitar Collection Book/CD Set By John Miller

Virtually every country blues recording made prior to World War II that has been recovered by the collectors is commercially available. No one could have anticipated how much of the recorded legacy of country blues would become available to be heard. It really is a treasure trove of musical history, and in listening to the incredible breadth and variety in the country blues that this re-issuing movement has made possible, I stand in awe of the magnitude and scope of what the people who played in this style expressed in their music. There really is something for everyone in this music, whether you like your blues smooth and sophisticated or down and dirty. John Miller

Editorial Review

About the Author

At the age of 12, John Miller was inspired to play the guitar after seeing Mississippi John Hurt perform at the Philadelphia Folk Festival. He bought his first guitar at the age of 16 and launched into an intensive period of study of Country Blues guitar, learning the music of John Hurt, Mance Lipscomb, Bo Carter, Blind Blake, and other greats. By the time he was twenty-seven, John had released five solo albums to international critical acclaim. Those albums ranged from Country blues and Old Time country music to the songs of George Gershwin. For the next 15 years, John focused on teaching, founding two music camps, composing, and building a vocabulary in Jazz and Latin music. In the last seven years, John has released CDs with a Jazz trio, Catwalk, duos with mandolinist John Reischman, violinist Ruthie Dornfeld, singer Becky Kilgore, and French cabaret music with the ensemble Rouge. Says Miller of his musical travels, I've played many many different styles of music in recent years, but I've come to realize that everything I've done has been informed by my early involvement with Country Blues and the lessons I learned from that music: the primacy of rhythm and the need to communicate with clarity and strength of purpose. I strive for those qualities in the music I play, and I hope that what I do honors the memory of my heroes, like John Hurt, who have passed on.
