Locke (Corps Security) By Harper Sloan

Darkness is the only thing I see. Ever since the day my life changed. The day that everything and everyone I held close to me ceased to exist. The day I lost it all and the demons of my past consumed my every waking moment.

I tried to keep others at arm's length. Tried not to let my darkness taint them. Ruin them. Harm them. And whether I want to admit it or not, as much as I wish I could keep them locked out, they refuse to leave. Refuse to let me suffer alone.

If I hadn't been so focused on keeping those demons from flying free, I wouldn't have missed how one perfect angel was able to sneak her way under my skin—refusing to let go. Making me want things I don't deserve.

She consumes me. Her beauty knows no end. The love she promises tempts me every time she's near. But that pure heart that makes her MY Emmy is the one thing I'm convinced I'll destroy if I ever let her close.

I'm a broken man. A broken man with too much darkness in his soul to ever let her light shine upon me. But even that doesn't stop me from craving her with every single breath in my body.

****This is the final book in the Corps Security series. This book is not suitable for younger readers. There is strong language, adult situations, and some violence.****

Editorial Review

About the Author

Harper Sloan is the "New York Times" and "USA Today" bestselling author of the Corps Security and Hope Town series. She started using writing as a way to unwind when the house went to sleep at night. Harper lives in Georgia with her family. Visit her at AuthorHarperSloan.com or [Facebook.com/HarperSloanBooks](https://www.facebook.com/HarperSloanBooks).

Users Review

From reader reviews:

Clarence Liller:

What do you in relation to book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They have to answer that question simply because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this Locke (Corps Security) to read.

John Tammaro:

The reserve with title Locke (Corps Security) includes a lot of information that you can find out it. You can get a lot of profit after read this book. That book exist new understanding the information that exist in this publication represented the condition of the world right now. That is important to yo7u to know how the improvement of the world. This particular book will bring you inside new era of the globalization. You can read the e-book with your smart phone, so you can read it anywhere you want.

John Damm:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Locke (Corps Security), you can enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Darrel Mason:

Beside this particular Locke (Corps Security) in your phone, it might give you a way to get nearer to the new knowledge or information. The information and the knowledge you will got here is fresh from the oven so don't end up being worry if you feel like an outdated people live in narrow village. It is good thing to have

Locke (Corps Security) because this book offers to your account readable information. Do you oftentimes have book but you rarely get what it's facts concerning. Oh come on, that won't happen if you have this in your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. So do you still want to miss this? Find this book along with read it from today!
