

Teacher Leadership That Strengthens Professional Practice

By Charlotte Danielson

Teacher Leadership That Strengthens Professional Practice By Charlotte Danielson

Every school relies on teachers who informally and voluntarily lead various efforts in the school. These teachers may not be appointed leaders or paid leaders, but they are committed leaders: they see a need and they respond to it. What do these teacher leaders do that is different from the work of excellent teachers who are not teacher leaders? If we can articulate those skills, says Charlotte Danielson, then we can take steps to enable more teachers to develop those skills and be better equipped to tackle special projects.

Teacher Leadership That Strengthens Professional Practice is designed to be a resource not only for prospective teacher leaders but also for administrators who want to better support the development of outstanding teacher leaders.

Teachers seeking to expand their leadership capacity will learn how to

- recognize an opportunity and take initiative,
- mobilize colleagues around a common purpose,
- marshal resources and take action,
- monitor and adjust the initiative,
- sustain the commitments of others, and
- contribute to the learning organization.

Administrators will find advice on how to cultivate, promote, honor, and empower teacher leaders--and how to work with them to successfully present innovations to the school community.

In short, this book gives individuals and schools a practical framework for tapping teachers' leadership potential and marshaling their efforts to better educate students and create a stronger learning community. As Danielson convincingly shows, genuine teacher leadership is a powerful force for constructive change.

Editorial Review

About the Author

Charlotte Danielson is a former economist and an educational consultant based in Princeton, New Jersey. She has taught at all levels, from kindergarten through college, and has worked as an administrator, a curriculum director, and a staff developer. In her consulting work, Ms Danielson has specialized in aspects of teacher quality and evaluation, curriculum planning, performance assessment, and professional development.

In addition to working as a teacher and administrator, Ms Danielson has served as a consultant to hundreds of districts, universities, intermediate agencies, and state departments of education in virtually every state and in many other countries. This work has ranged from the training of practitioners in aspects of instruction and assessment, the design of instruments and procedures for teacher evaluation, to keynote presentations at major conferences. Now Charlotte Danielson is offering her expertise in an online professional development course! Visit <http://www.corwin.com/learning/estudy/danielson.html> for more information.

Users Review
