when she is forced to take a bath in this hysterical new illustrated how-to for young readers. The following are some items you will need for Kitty's bath: one bathtub, plenty of water, dry towels, a suit of armor, a letter to your loved ones, clean underwear (because stressful situations can cause "accidents"), an ambulance in your driveway with the engine running, and, oh, yeah, you'll also need Kitty...but good luck with that! Since its publication in 2005, BAD KITTY has captured the hearts of cat lovers and haters alike. This time Kitty is at her worst in this riotous how-to guide filled with bad smells, cautionary tales of horror, and hopefully by the end...some soap. The funniest of any of Kitty's adventures, though don't tell her that.

Editorial Review

From School Library Journal

Grade 2–4—Bad Kitty and Poor Puppy are back. This time they are featured in a funny, heavily illustrated "how-to" chapter book that is reminiscent of Kate Klise and M. Sarah Klise's "Regarding the..." titles (Harcourt). The instructions for getting the feline into the water include begging, cajoling, and reverse psychology. The text includes clippings from the *Daily Nooz*, "Uncle Murray's Fun Facts," a "Quick Quiz," a glossary of cat sounds ("fft!"), and two notes from the editor to the author about what is "unprintable." The resistant cat makes a valiant effort to avoid the procedure but finally—"YEOWR!," "HISS!"—she is bathed. The pup gets his turn in an epilogue, but without any drama. Bruel's zany illustrations incorporate numerous perspectives that heighten the humor.—*Marilyn Ackerman, Brooklyn Public Library, NY*

This follow-up to *Bad Kitty* (2005) pairs Bruel's witty asides and spastic, tongue-in-cheek commentaries with more high-energy cartoon illustrations. With hyperbolic humor, Bruel describes the dangerous process of cat bathing, from collecting the necessary tools (including cat shampoo and a "suit of armor" for humans), to finding and coaxing Kitty into the water, to dealing with your now-clean-though-very-unhappy animal. (One illustration suggests checking your sneakers for "something awful inside.") Following all of the scratching and hissing and spitting, a brief epilogue depicts bathing Puppy, a ridiculously simple process that cleverly highlights the elaborateness of Kitty's ritual. Packed into the chaos are fun facts, such as explanations for why cats hate water and the hows and whys of hairballs; a "glossary of common cat sounds"; a few strategically placed editor's notes; and a not-so-serious glossary. Whether they prefer cats or dogs, young and reluctant readers will get plenty of laughs from this comic and informative chapter book.
Grades 3-5. --Shelle Rosenfeld
