

Decision Quality: Value Creation from Better Business Decisions

By Carl Spetzler, Hannah Winter, Jennifer Meyer

Decision Quality: Value Creation from Better Business Decisions By Carl Spetzler, Hannah Winter, Jennifer Meyer

Add value with every decision using a simple yet powerful framework

Few things are as valuable in business, and in life, as the ability to make good decisions. Can you imagine how much more rewarding your life and your business would be if every decision you made were the best it could be? *Decision Quality* empowers you to make the best possible choice and get more of what you truly want from every decision.

Dr. Carl Spetzler is a leader in the field of decision science and has worked with organizations across industries to improve their decision-making capabilities. He and his co-authors, all experienced consultants and educators in this field, show you how to frame a problem or opportunity, create a set of attractive alternatives, identify relevant uncertain information, clarify the values that are important in the decision, apply tools of analysis, and develop buy-in among stakeholders. Their straightforward approach is elegantly simple, yet practical and powerful. It can be applied to all types of decisions.

Our business and our personal lives are marked by a stream of decisions. Some are small. Some are large. Some are life-altering or strategic. How well we make those decisions truly matters. This book gives you a framework and thinking tools that will help you to improve the odds of getting more of what you value from every choice. You will learn:

- The six requirements for decision quality, and how to apply them
- The difference between a good decision and a good outcome
- Why a decision can only be as good as the best of the available alternatives
- Methods for making both "significant" and strategic decisions
- The mental traps that undermine decision quality and how to avoid them
- How to deal with uncertainty—a factor in every important choice
- How to judge the quality of a decision at the time you're making it
- How organizations have benefited from building quality into their decisions.

Many people are satisfied with 'good enough' when making important decisions. This book provides a method that will take you and your co-workers beyond 'good enough' to true *Decision Quality*.

Editorial Review

From the Inside Flap

Few things are as valuable in business, and in life, as the ability to make good decisions. *Decision Quality* is here to help you make decisions that maximize value creation and manage risk— every time.

The book comes from the dynamic team of award- winning educator Carl Spetzler and his colleagues, Hannah Winter and Jennifer Meyer. This trio has helped shape the decision quality profession over the years—in the field and in the classroom. They've also worked with leaders around the world, across industries, to elevate the quality of their decisions. That same expertise is now available to you.

The framework at the heart of this book comes from the authors' decades-deep foundation in decision theory, behavioral decision sciences, and real-world practice. You'll get a reliable methodology that can be applied to all types of decisions—from business to personal, for big bets or smaller choices—regardless of your level, specialty, and industry. Every chapter unfolds with focused lessons, insights, and examples to help you navigate complex decisions.

Decision Quality enables you to:

- Avoid the most common traps that undermine decision making
- Judge the quality of your decisions more accurately, as you're making them
- Navigate today's uncertainties with confidence
- Execute on your decisions with greater buy-in and success

Join the growing group of leaders who are making decisions that create greater value—every time.

From the Back Cover

Praise for DECISION QUALITY

"No one has coached more businesses through high-stakes strategic decisions than Carl Spetzler and the team at SDG. If you're looking for wisdom on making better decisions in your business, you've come to the right place."

—**CHIP & DAN HEATH, Bestselling CoAuthors including *Decisive: How to Make Better Choices in Life and Work***

"An excellent guide for consultants, technical experts, and program managers to achieve the most impact from their work."

—**THOMAS OLAVSON, PhD, Google Inc.**

"From beginning to end, this book underscores the business benefits that accrue from investing in decision quality processes. The authors offer actionable steps that leaders can take to check biases rooted in deeply held beliefs, and steer their organizations toward better value creation."

—**PHILIP E. TETLOCK, PhD, Bestselling Author including *Superforecasting: The Art and Science of Prediction***

"A clear 'must read' for everyone in a leadership position."

—**GERARD KLEISTERLEE, Chairman, Vodafone Group Plc**

"Implementing the decision quality processes described in this book should become the 'new normal' for all organizations and their leaders."

—**CHINA GORMAN, Former CEO, Great Place to Work Institute**

"The authors deliver an approach and philosophy that can provide an immediate and positive impact on personal and business decisions. Books that achieve this in such a readable format are rare indeed—acquiring a copy could be the first in a series of quality decisions!"

—**ANDREW EVANS, MBA, Unilever; Fellow, Society of Decision Professionals**

"A very savvy, sorely needed systematic approach to making uncertainty an integral dimension of the questions we ask and the answers we seek. Their strategy shows you how to judge the quality of your decisions without knowing or relying on outcomes that may or may not be a reflection of the actual decision process."

—**ROBERT A. BURTON, MD, Bestselling Author including *On Being Certain: Believing You Are Right Even When You're Not***

About the Author

CARL SPETZLER is the cofounder, chairman, and CEO of Strategic Decisions Group (SDG), a leading strategy consulting firm renowned for its expertise in strategic decision-making for greater value creation.

HANNAH WINTER is a partner, strategy consultant, and educator with SDG, where she leads the firm's 10-year education partnership with Stanford in strategic decision making.

JENNIFER MEYER leads client engagements at SDG, resulting in hundreds of millions of dollars in added value through better strategic decisions.

The actual book was written by renowned writer in this era. The actual book titled Decision Quality: Value Creation from Better Business Decisions is a single of several books that everyone reads now. This book has inspired many people in the world. When you read this book you will enter the new dimensions that you never knew just before. The author explained their thoughts in a simple way, and so all of people can easily be aware of the core of this reserve. This book will give you a lot of information about this world now. So you can see the representation of the world on this book.

Henry Hedrick:

The reason? Because this Decision Quality: Value Creation from Better Business Decisions is an extraordinary book that the inside of the e-book is waiting for you to snap it but later it will zap you with the secret inside. Reading this book beside it was fantastic author who also wrote the book in such a remarkable way makes the content on the inside easier to understand, entertaining technique but still conveys the meaning thoroughly. So, it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other books have got such as help improving your ability and your critical thinking means. So, still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

George Williams:

That book can make you to feel relax. This particular book Decision Quality: Value Creation from Better Business Decisions was colorful and of course has pictures around. As we know that book Decision Quality: Value Creation from Better Business Decisions has many kinds or styles. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So, not all of books are generally make you bored, any it can make you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that.
