

Electromagnetic Field Theory

By Prof S P Ghosh, Prof Lipika Datta

Electromagnetic Field Theory By Prof S P Ghosh, Prof Lipika Datta

"Electromagnetics is a subject that students generally develop a scare of, especially when studying Maxwell's equations. The author, in this book, attempts to reveal to the students, the subject in a language that they are familiar with, and that which is everyday. Along with this, several attempts have been made to help the student in visualising the subject as best as possible through numerous solved examples and illustrations. In keeping with recent examination trends, end-of-chapter pedagogy has been developed to resemble questions that often appear during examinations. The book will be of immense help to those who wish to grasp the subject of Electromagnetic Field Theory quickly and effortlessly"
