Editorial Review

From Publishers Weekly

Despite a few glitches, there is much to like about this coauthored novel from Tenney, best known for his nonfiction book *The God Chasers*, and Olsen, a writer whose work includes screenplays. Esther, queen of Persia, who inspired the eponymous book of the Bible, is a fascinating character whose story lends itself well to a fictional retelling. The novel opens as a contemporary woman named Hadassah receives a letter penned by Esther (also called "Hadassah" and "Star" in the novel) and passed down through her family for generations. The reading of the letter transports the reader back to the Persian Empire (a similar device is used in Bodie and Brock Thoene's *Zion Legacy* series). Several time periods and points of view make for a slow start, but the pacing picks up when Esther becomes the focus. The dialogue is stiff in places, and some readers will find the use of "G-d" rather than "God" out of reverence rather tiresome. However, from their imaginative fleshing out of Esther's unusual girlhood and preparation for her tryst with the king to the uttering of her famous words, "If I perish, I perish," the authors reinvigorate an age-old story. The sexual tension and violence necessary to the tale are rendered inoffensive for the evangelical Christian market, and a few surprise twists will catch readers familiar with the story off-balance. CBA readers should enjoy this account of one of the Bible's most courageous heroines.

Review

"Tommy Tenney, ...displays imagination and insight"

From the Back Cover

POWERFUL FICTION FEATURING ONE OF THE BIBLE'S MOST BELOVED CHARACTERS!

Against a vividly painted historical backdrop, bestselling author Tommy Tenney breathes new life into the age-old story of Hadassah, the simple peasant girl who must vie with more than a hundred other young women to become the next queen of Persia. Will her beauty alone be enough? And if she succeeds, will she have the courage to stand up to the cunning enemy of her people?

Users Review

From reader reviews:

Keisha Kent:

Nowadays reading books are more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want sense happy read one using theme for entertaining for instance comic or novel. The actual Hadassah: One Night With the King is kind of reserve which is giving the reader capricious experience.
