

International Social Work: Issues, Strategies, and Programs

By David R. Cox, Manohar Pawar

International Social Work: Issues, Strategies, and Programs By David R. Cox, Manohar Pawar

International Social Work: Issues, Strategies, and Programs, Second Edition draws together the practice wisdom emerging within the broad scope of international social work practice and its role in contributing to the international community's efforts in combating the major global social problems of poverty, conflict and postconflict reconstruction, the development of countries and disadvantaged populations, migration and displacement, and the needs of specific populations such as child soldiers and AIDS orphans.

Utilizing an integrated perspectives approach incorporating global, human rights, ecological and social development perspectives, the **International Social Work, 2e** is designed to prepare social workers, human services professionals, development practitioners who desire to play significant roles in responding to modern global challenges that are critical to the well-being of people, communities, nations and ultimately of us all.

Editorial Review

About the Author

After a distinguished career as a social work educator and administrator, Dr. Cox currently teaches as an adjunct lecturer at La Trobe University in Australia. His professional interests have included work in social work and immigration and the experiences of refugees. He has written scores of articles and several books. He was awarded his Ph. D. from La Trobe in 1974.

Manohar Pawar, PhD, is professor of social work at the School of Humanities and Social Sciences, Charles Sturt University (NSW, Australia) and is also the President of the Asia-Pacific branch of the International Consortium for Social Development. Earlier, he has taught at the Tata Institute of Social Sciences, Mumbai, and La Trobe University, Melbourne. He has more than 30 years of experience in social work education, research and practice in Australia and India.

Professor Pawar has received a number of awards, including the *ICSSR Doctoral Fellowship* located at the Centre for the Study of Developing Societies, New Delhi (1986–1988); the *Citation Award for Outstanding Contributions to Student Learning* (2008, from the Australian Learning and Teaching Council); and *Quality of Life Award* (2001, from the Association of Commonwealth Universities).

His current areas of interest include international social work, development and social policy practice, social consequences of climate change and water, social work education, virtues and social work practice, informal care and ageing, NGOs and community development. He is the lead chief investigator of research funded by the Australian Research Council's Discovery Project that focuses on virtues and social work practice.

His publications include *Social Work Practice Methods: Reflections on Thinking, Doing and Being* (2015); *Water and Social Policy* (2014); *International Social Work: Issues, Strategies and Programs* (2013); *The SAGE Handbook of International Social Work* (2012); *Social Development: Critical Themes and Perspectives* (2010); and *Community Development in Asia and the Pacific* (2010).

Users Review
