Italian Folktales By Italo (Selected & Retold) Calvino

This master collection of Italian folktales takes its place alongside the great anthologies of the Brothers Grimm and other European folklorists. There has never been an Italian equivalent of Grimm' Fairy tales. The noted novelist Italo Calvino fills the void. The reader is lured into a fantastic world of clearly Italian stamp, where all creatures are capable of an infinite number of metamorphoses. Here adventurers, tricksters, kings and peasants, saints and orgres along with a host of extraordinary animals, fish and plants play their roles against the rich background of regional customs and varied history of the Italian people. Whether the tone is humorous and earthy, or playful and nonsensical, or noble and mysterious, the drama of the embattled heroes and heroines unfolds according to the joyous logic of the imagination. The harsh realities of existence yield to beauty, purity and justice. A continuous quiver of love runs through Italian folklore, of love tested by absence or sorcery, a precarious love that unties two incompatible worlds, the natural and the supernatural. (front flap)

Users Review

From reader reviews:

Christopher Mills:

Here thing why that Italian Folktales are different and dependable to be yours. First of all reading a book is good however it depends in the content of it which is the content is as yummy as food or not. Italian Folktales giving you information deeper and in different ways, you can find any e-book out there but there is no publication that similar with Italian Folktales. It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the published book maybe the form of Italian Folktales in e-book can be your alternative.

Sharon Bufkin:

Spent a free time to be fun activity to do! A lot of people spent their down time with their family, or their very own friends. Usually they performing activity like watching television, gonna beach, or picnic inside park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Can be reading a book may be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the book untitled Italian Folktales can be excellent book to read. May be it can be best activity to you.

Hoyt Moore:

Your reading 6th sense will not betray anyone, why because this Italian Folktales book written by well-known writer whose to say well how to make book which can be understand by anyone who all read the book. Written within good manner for you, dripping every ideas and writing skill only for eliminate your current hunger then you still hesitation Italian Folktales as good book not only by the cover but also by the content. This is one publication that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

Maria Holder:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing

reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Italian Folktales can make you feel more interested to read.
