### Simple Riches (That Second Chance) (Volume 3) By Mary Campisi

Sometimes we're lucky enough to get that second chance - in life and in love. That Second Chance Series are stand-alone stories of strong women who battle heartache and loss with a courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance.

*Simple Riches* is Book Three of That Second Chance Series. It is also the prequel to Mary's bestselling family saga, A Family Affair: Winter, Truth in Lies, Book Six.

If you enjoyed the small town sense of community and caring in A Family Affair (Truth in Lies Series) you'll experience that same coziness in Simple Riches. There's heartache, betrayal, forgiveness, and redemption, all wrapped up and waiting for you.

Alexandra "Alex" Chamberlain is a big city girl who knows nothing about close-knit families, sibling rivalry, or receiving an unsolicited opinion in the name of family. She's been raised by an aunt and uncle who've provided her with a wealthy lifestyle and a fancy education, but have withheld what she craved most - love and acceptance. Her uncle has taught her to disregard everything but the bottom line on a balance sheet and she'll do anything to earn his approval. She prides herself on excelling at her job which is selecting small towns to buy, flatten, and replace with luxury resorts. When Alex decides to investigate Restalline, Pennsylvania, as a potential site for the next resort, she enters the town under the guise of a researcher gathering information for a documentary. Her uncle wants this project badly, and she's not going to disappoint him.

This town should be like all the others. Only it isn't. This town has the Androviches, a family who values hard work, honesty, and doing the right thing. And this town has Nick Androvich, the town doctor with a battered heart who doesn't quite trust her, but can't deny the mutual attraction.

Oh, but it's going to get messy when the truth about Alex's real purpose for being in Restalline sneaks out...and the truth always does. But fear not, the town is not going to sit by quietly and watch this meant-to-be-together couple lose their happily ever after...

**That Second Chance Series:**

Book One: Pulling Home (Also prequel to A Family Affair: The Promise)

Book Two: The Way They Were (Also prequel to A Family Affair: The Secret)

Book Three: Simple Riches (Also prequel to A Family Affair: Winter)

Book Four: Paradise Found (Also prequel to A Family Affair: The Wish)

Book Five: Not Your Everyday Housewife

Book Six: The Butterfly Garden

### Editorial Review

#### Review

"An emotional story of healing and homecoming, spiced with secrets, passion and revenge."

-Susan Wiggs, Bestselling Author, on Simple Riches

#### From the Author

I grew up in a small town in northwestern Pennsylvania, much like the one in *Simple Riches*. There were four of us kids, my two older brothers, me, and my younger sister--all of us born within 5 ½ years. There were no McDonalds in our town, no malls, no fancy movie theaters. I used to walk over a mile to school every day, (yes, I really did!) Time was filled with little things, everyday life; weeding the flower beds and garden by hand and getting snail guts under my nails, holding the flashlight while my brothers caught night crawlers, helping my mother bake bread or hang sheets on the line so they could 'catch the fresh air'. Huddling with my sister in bed on Easter Sunday before Mass and gorging on a milk chocolate baby doll, planting a maple tree-- *my maple tree*--with my father in our back yard, listening to my grandmother speak in broken English as she told stories of being a young girl in Italy and coming to America. Getting ready to go out on Saturday night and fighting over *one* shower and *one* hairdryer between the four of us...

Today, my brothers and sister and I live hundreds of miles away from that little town in Pennsylvania, but it is still part of us, it will always be part of us because that's where we learned the true meaning of family and friendship, and the importance of honoring your word.

And so, when I decided to write about a small town and its people with their traditions and values, I thought about life, as a child and as an adult, and this is the question that led to *Simple Riches*; What is real wealth? Is it a balanced stock portfolio and a seven-figure income? Or is it more elusive ... intangible...something perhaps that cannot be measured or identified or even...understood? Is real wealth that, which reaches out to us, touches our hearts, our souls, filling us yet leaving us longing for more? Is it a fall morning, crisp and clear, with the tip of frost covering green, ... a smile, full and honest, ... a tradition handed down, ... a string of memories planted with a maple tree...

#### From the Inside Flap

He spotted her the minute she walked through the door. Tall, graceful, blonde, reminding him of a present, one whose wrapping is so elegant, so exquisite, the receiver almost dares not open it, choosing instead to admire the outer trappings, delighting in the beauty of the presentation, all but forgetting the contents within.

Nick tried not to stare. He took a swig of beer, then another. His gaze shot back to the woman. She seemed to be with Chuck and Edna Lubovich, moving through the crowd of well-wishers at Uncle Frank's party, stopping when they stopped, smiling, holding out her hand. Who *was* she? A relative? One of Edna's sister's children? He doubted it. This one had too much class to be part of the Lubovich clan; he could see it in the way she held herself, head high, shoulders back, chin up.

### Users Review

#### From reader reviews:

**Melinda Kendall:**

What do you consider book? It is just for students because they are still students or that for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't wish do that.
