### Editorial Review

#### Review

"With *The Great Awakening*, author Chaise Allen Crosby tackles some of today's most serious issues with panache. Exploring the world of corporate farming and sustainability from the viewpoint of the very animals at risk adds a powerful punch to this must-read novel. Bravo!" - *Deb Stover, Award-winning Author*

"*The Great Awakening*, by Chaise Allen Crosby, is a breath of fresh air! What a timely, important topic to explore by way of well-rounded, interesting characters. The depth to which Crosby has expertly crafted each animal character enhances the fictional, yet poignant, plot line which intertwines the complex and related lives of birds, insects and mammals. As the characters work together to save an entire species from the all-too-real damages linked to factory farming, readers are swept up in a journey, poised to leave them thinking more deeply about this topic than ever before. Tanya Anne Crosby's vibrant illustrations add a lovely flourish to the book. I'm eager to share the book with my 11-year-old son, as I expect it to facilitate deep conversations and serve as a catalyst for critically important conversations that we (as humans) need to have on a regular basis."

-*Leigh Attaway Wilcox, Author, Teacher & Advocate*
