

The Kingship of Self-Control: Individual Problems and Possibilities

By William George Jordan

The Kingship of Self-Control: Individual Problems and Possibilities By William George Jordan

"Man has two creators, his God and himself. His first creator furnishes him the raw material of his life and can make that life what he will. His second creator, himself, has marvelous powers he rarely realizes. It is what a man makes of himself that counts."

So begins "The Kingship of Self-Control," William George Jordan's powerful work on our ability to exercise our God-given control over ourselves and our destinies.

This short but powerful read provides great insight into the nature of our minds, the possibilities we hold within us, and our ability to grow and develop far beyond where we are. William George Jordan's writings are a diamond in the rough, forgotten by many but well deserving of attention by all.
