Every President, every politician, and every human being tells lies and engages in acts of hypocrisy. But Barack Obama does these things to a far greater degree than anyone else that I have ever known of. His campaign promises were so much better sounding than anyone else's – no lobbyists in his administration, waiting five days before signing all non-emergency bills so people would have time to read them, putting health care negotiations on C-SPAN, reading every bill line by line to make sure money isn't being wasted, prosecution of Wall St. criminals, ending raids against medical marijuana in states where it's legal, high levels of transparency. Obama's promises of these wonderful things sounded inspiring and sincere. They sounded so much better than the promises of any other President. So when Obama broke these promises, it felt so much worse than when other Presidents broke their promises.

Some of the things on this list are major events that should scare the daylights out of any true liberal who cares about civil liberties.

Other things on this list are medium things that some Obama supporters may dislike, but would be willing to overlook in light of the things that Obama has done which they like.

And some of the things on this list may seem trivial, but I still think they are an interesting reflection of the kinds of policies that Obama supports.

Every claim that I make in this list is sourced. Click on the underlined text to see the sources. I have cited a wide variety of sources, from right wing, to left wing, to middle of the road.
