Editorial Review

Review

Master tips are given all throughout the book...the author goes into great detail to show you, with step by step pictures and instructions, how to carve an antique wood duck decoy. The book is so interesting and informative that the carver will enjoy the book as much as carving the decoy.

The photography and layout in all areas of the book was phenomenal. The step-by-steps were clear and in synch with the text and supportive of the text, and there are a couple of very artistic still-life hunting scenes. Finally, there was my favorite part of the book, the painting schedule and instruction. It seems very detailed, complete, and unambiguous. Several years ago, when I carved and painted my first wood duck, I paid more than the price of this book for a booklet on just painting the wood duck. That guide was not even half as well done as the painting schedule in "Antique Style Duck Decoys". Chapter 4: Painting Awesome, awesome, awesome.

From the Back Cover

Create American Folk Art by Learning to Carve and Paint the Contemporary Antique Decoy In Antique Style Duck Decoys, Tom Matus, an experienced wildfowl hunter and a champion decoy carver, introduces you to the special world of the contemporary antique decoy. From reader reviews:

Jimmy Robertson:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim or perhaps goal; it means that reserve has different type. Some people feel enjoy to spend their time for you to read a book. They are reading whatever they take because their hobby is definitely reading a book. Think about the person who don't like reading through a book? Sometime, individual feel need book when they found difficult problem or perhaps exercise. Well, probably you will need this Antique-Style Duck Decoys: Contemporary Techniques to Carve and Paint in the Folk Art Tradition.

Rosemary Taylor:

What do you about book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this particular Antique-Style Duck Decoys: Contemporary Techniques to Carve and Paint in the Folk Art Tradition to read.

Peter Zimmerman:

Information is provisions for folks to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is in the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Antique-Style Duck Decoys: Contemporary Techniques to Carve and Paint in the Folk Art Tradition as the daily resource information.

Lawrence Woods:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Antique-Style Duck Decoys: Contemporary Techniques to Carve and Paint in the Folk Art Tradition can make you sense more interested to read.
