Warning: This book contains content that may be offensive to some readers including sexual assault (flashbacks), adult situations, and graphic language. I knew the exact moment I'd become a 'yes' girl. December 16th, a cold winter's night, four years ago. The night my innocence was stolen, the night I made the mistake of saying no—a mistake I'd never make again. The dream of a 'happily ever after' was now a locked away myth. I promised myself that I'd never return to the place of my worst nightmare, that I'd never let anyone get close, but then again, I never thought I'd meet someone like him. The intense, confident and beautiful Ky Crawford. I had no plans to become someone's Prince Charming. I couldn't be. I refused to be. My plan was simple—do whatever it takes to correct my biggest mistake, my one regret that now controlled my life. I was on track. I had plans, but then everything changed when I saw her—the girl in the red jacket, the girl who I was told couldn't say no. The reserved yet stunning Eden Rivers. A girl who can't say no. A guy who craves redemption. A chance encounter? It all comes down to this. One question. One month. Be My December?

Editorial Review

About the Author

Rachel Brookes is from a coastal town on the east coast of Australia where beaches, kangaroos and surfers roam free. She writes angst ridden love stories with a pinch of craziness, a dash of drama, a cup of romance, a spoonful of sexiness and the main ingredient hot guys. Rachel sometimes forgets to eat, sometimes forgets to sleep and sometimes can't remember the last time she cleaned her apartment but that's because she is in a long term relationship with her laptop and they are constantly writing together. When she does step away from her laptop she can be found taking too many photos, making scrumptious cocktails, laughing at Adam Sandler movies and spending her time with her amazing family and friends. Current releases: Just Breathe (Book #1 Breathe Series) Breathless (Book #2 Breathe Series) Breathe Again (Book #3 Breathe Series) Be My December (standalone)
