Two Can Play and Other Plays (Macmillan Caribbean Writers) By Trevor Rhone

This collection of plays by the most popular playwright in the West Indies features the never previously published BBC-commissioned radio play "The Power", along with two frequently-staged favourites from the Rhone canon - "Two Can Play" and "School's Out". In the two-hander "Two Can Play", Jim and Gloria try their wildest schemes to escape Kingston gun crime and establish residence in the United States. "School's Out" examines the dysfunctional staff of a Jamaican school likely to turn any child into a juvenile delinquent. "The Power" tackles bullying, and how a young boy solves his problems by developing his self-confidence through a 'magic' trick.
