Editorial Review

Review

"With a breadth and scope of a writer who has lived her message as well as written it, Emily Freeman's *A Million Little Ways* will capture your mind and your imagination with a bold, fresh vision of the life you were created to live."--**Mark Batterson**, *New York Times* bestselling author of *The Circle Maker*

"Emily Freeman is one of my favorite artists and speaks with authority, calling out the artist in all of us. Don't read this unless you're willing to be moved and rethink what you know about art, faith, and humanity."--**Jeff Goins**, author, *Wrecked: When a Broken World Slams into Your Comfortable Life*

"Emily Freeman is one of the most gifted writers I have ever read and *A Million Little Ways* is an extraordinary achievement. In this delightful, insightful, and life-giving book, with deep faith and a gentle sense of humor, Emily speaks openly, honestly, and directly of the journey to knowing and becoming one's true self. This passionate book penetrates the soul, and it will challenge you and inspire you in the most wonderful of ways."

--**Fil Anderson**, author of *Running on Empty* and *Breaking the Rules*

"Emily Freeman's luminous words hand you your rightful birthright: to be as creative as your Creator Father. Read them and exhale. These pages just might really wow you awake to who you are meant to be."

--**Ann Voskamp**, *New York Times* bestselling author of *One Thousand Gifts*

"I read this book during a time where my art, my writing, felt more like wrestling with lions than soaring with creativity. Emily's words ignited something new and fresh and invaluable deep within me. Let this book help you release the art you were made to create and live!"

--**Lysa TerKeurst**, *New York Times* bestselling author

From the Back Cover

"A Million Little Ways will capture your mind and your imagination with a bold, fresh vision of the life you were created to live."--Mark Batterson, New York Times bestselling author of The Circle Maker

Do you desperately fear you have nothing to offer the world but secretly hope you're wrong?

You were born to make art. You were made to live art. You might not see yourself as an artist, but you are--in so many unexpected ways. In what you create, whether poetry or pie, sculpture or sand castle, calligraphy or conversation. It's time to uncover the shape of your soul, turn down the voice of the inner critic, and move into the world with the courage to be who you most deeply are.

Creating a life of meaning is not about finding that one great thing you were made to do, it's about knowing the one great God you were made to glorify--in a million little ways.

"Emily Freeman's luminous words hand you your rightful birthright. Read them and exhale. These pages just might wow you awake to who you are meant to be."--**Ann Voskamp**, *New York Times* bestselling author of *One Thousand Gifts*

"I read this book during a time where my art, my writing, felt more like wrestling with lions than soaring

with creativity. Emily's words ignited something new and fresh and invaluable deep within me."--**Lysa TerKeurst**, *New York Times* bestselling author; president of Proverbs 31 Ministries

"Enjoy your last day of wondering if what you do really matters, because this book will forever change the way you see everything you do, from the mundane nightly dishes to your most risky creative endeavor."--**Myquillyn Smith**, *The Nester*, author of *The Nesting Place*

Emily P. Freeman is the author of *Grace for the Good Girl* and *Graceful*. Users Review

From reader reviews:

Ruth Walker:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with knowledge books but if you want feel happy read one having theme for entertaining including comic or novel. Typically the *A Million Little Ways: Uncover the Art You Were Made to Live* is kind of reserve which is giving the reader unstable experience.

Floyd Goshorn:

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Having book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this *A Million Little Ways: Uncover the Art You Were Made to Live*.

Joseph Griego:

Many people spending their time by playing outside with friends, fun activity along with family or just watching TV the whole day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book will surely hard because you have to bring the book everywhere? It ok

you can have the e-book, taking everywhere you want in your Mobile phone. Like A Million Little Ways: Uncover the Art You Were Made to Live which is keeping the e-book version. So , try out this book? Let's find.

Shannon Thompson:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And also you know that little person similar to reading or as studying become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update concerning something by book. Many kinds of books that can you go onto be your object. One of them is this A Million Little Ways: Uncover the Art You Were Made to Live.
