### Changing Forever (Rains Series Book 2) By Lisa De Jong

I've always let my past dictate my future, letting it paint a picture of exactly what I don't want to be. Where I don't want to end up.

Drake Chambers is as arrogant as I am stubborn. A college quarterback, a national star. I thought he was just another one of those guys ... the type every girl should stay away from, but he's carrying more than the weight of the football team on his shoulders.

He unravels the feelings and beliefs I've held onto for so long.

I thought we had it all figured out. Two people who'd finally found their happily ever after, but the past always has a way of sneaking into the present.

With one decision, everything changes ... forever.
