

Superman: The War Years 1938-1945

By Roy Thomas

Superman: The War Years 1938-1945 By Roy Thomas

Faster than a speeding bullet! More powerful than a locomotive! It's a bird, it's a plane, it's Superman!

The Man of Steel is one of the most recognized characters in pop culture. Though he may not be from this planet, his dedication to protecting its people is inspiring. *Superman: The War Years 1938-1945* shows how his introduction at the start of World War II lifted the spirits of a weary country and brought people the hero they so desperately needed.

Editorial Review

Review

"Detailing superhero involvement in World War 2 as it has never seen before is both interesting and historical." - *FulvueDriveIn.com*

About the Author

Having co-founded the super-hero comics fanzine *Alter Ego* in 1961, Roy Thomas (b. 1940) became writer/assistant editor for Stan Lee at Marvel Comics in 1965 after a very brief stint as assistant editor of DC's Superman titles. From 1965-1980 and/or during the 1990s he wrote for Marvel *The Avengers*, *The X-Men*, *Fantastic Four*, *Thor*, *The Incredible Hulk*, *Dr. Strange*, *Daredevil*, *Sub-Mariner*, *Avengers West Coast*, *The Amazing Spider-Man*, et al.--including *The Invaders*, a comic which spun near WWII-period adventures of Captain America, the Human Torch, and the Sub-Mariner. In the '70s he was the first writer and editor of Marvel's *Conan the Barbarian*, *The Savage Sword of Conan*, and *Red Sonja*, whom he again authored in the 1990s. At DC Comics in the 1980s he wrote *All-Star Squadron* (a super-hero comic set in 1941-42), *Shazam!*, *Secret Origins* (retelling WWII-era origins of DC's heroes), *Wonder Woman*, *Superman*, *Batman*, and other top series. He served as a Marvel editor from 1965-80, as Marvel's editor-in-chief from 1972-74, and as a DC editor from 1980-86. At Marvel he co-created *Ultron* and the *Vision* (both of whom will be prominently featured in the 2015 film *The Avengers: Age of Ultron*) and *Iron Fist*, the kung-fu super-hero who will be featured later this year by Netflix in both his own series and in *The Defenders*. He has written a number of graphic novels starring *Conan*, *Spider-Man*, *Dracula*, et al. Also in the '80s, he co-scripted the films *Fire and Ice* (for director Ralph Bakshi and 20th Century Fox) and *Conan the Destroyer* (for Universal), starring Arnold Schwarzenegger. He also provided scripts for the 1980s TV science-fiction series *Super Force*, for the 1990s TV series *Xena - Warrior Princess*, and for a bit of TV animation. Since 1999 he has edited a professional *Alter Ego* magazine (130 issues so far and counting) and has worked with Stan Lee on the scripting of the *Spider-Man* newspaper comic strip. He currently also writes online strips of *Tarzan* and *John Carter of Mars* for Edgar Rice Burroughs, Inc.. For the German publisher Taschen he has written the humongous book *75 Years of Marvel: From Golden Age to Silver Screen*, (released in late 2014) and is also writing an equally huge book about Marvel's Stan Lee. Besides winning numerous other fan and pro awards in the comics field over the years, he was elected to comics' Eisner Hall of Fame at the 2011 San Diego Comic-Con.
