**Xxi sex (Italian Edition)** By Alessandro Pedrazzi

Come si è trasformata la sessualità dopo l'avvento di internet? Nonostante la massa di nozioni recuperabili in rete, le paure, le insicurezze e i problemi relativi al sesso sovente rimangono i medesimi di sempre, cioè del tempo in cui non vi era un'informazione così diffusa e parlare di sesso era tabù. Xxi sex è una nuova enciclopedia sessuale che cerca di affiancare alla canonica impostazione dei lemmi alfabetizzati (2320 più 900 sottotermini) l'integrazione di testimonianze (368) offerte dalle persone comuni, in modo che pratiche e tendenze sessuali vengano spiegate da coloro che le vivono in prima persona. Insieme ai termini e alle testimonianze trovano posto più di 300 approfondimenti storici, antropologici, medici e di altri ambiti del sapere. Xxi sex dunque non è semplicemente un'enciclopedia sul sesso, ma un saggio che può essere letto dalla prima all'ultima pagina.
